

HiTex™

self-drilling fasteners

#10 ¾" high-hat, self-tapping screw

Part Number: WSDS31034

Box Quantity: 5000

SPECIFICATIONS:

- #10-16 screw
- Locking serrations
- #3 S-Type Point
- Complies with SAE-J78
- Chromate finish for corrosion resistance

FEATURES/ADVANTAGES:

- Recommended for all sheet metal applications
- High-hat hex head fits snugly into standard hex head screw drivers
- Extra wide serrated washer reduces walking and stripping
